Sheriff Steward came before the Board to ask for permission to fill the vacant spot of Jail Administrator. This position was previously filled by Lieutenant Tod Larson who recently resigned. Traditionally this position was filled by a certified law enforcement person; however, Larson was not, so the pay was decreased when he was hired. Steward like to fill the vacancy internally as a certified position at the certified pay rate. Commissioner Tilden moved to approve the hiring of a Jail Administrator, seconded by Commissioner Hall and unanimously carried.

<u>Discussion-BLM Resource Management Plan (RMP).</u>

Commissioners Grosskopf and Tilden have been attending the meetings concerning the BLM Resource Management Plan and Planning 2.0. Grosskopf commented that the Wyoming County Commissioners Association is working on comments regarding the 2.0 Planning. After the WCCA's comments are completed, Grosskopf will draft comments from the Commissioners to be reviewed at a May meeting. The committee is still working to prioritize the goals for the next five to ten years in the designated area. The BLM is in the process of conducting public meeting to gather public input in ranking the proposed projects in order of importance. Tilden expressed concern about proposed implementation of the Black-Footed Ferret in the Meeteetse area and how the BLM's management plan will impact land use when the ferret migrates from private to public lands. It was the

consensus of the Board to hold a work session at the May 10 to form comments for the BLM RMP and take official action at the May 17 meeting. The BLM will hold another public meeting for comment on the RMP on May 19 from 5-7 at the Cody Public Library.

The end goal is to compile all the plans into one that the Fish and Wildlife Committee will agree with. The YES Committee's next meeting is November 14-16 at the Cody Holiday Inn.

<u>Discussion-Park County's Health Insurance Bid Recommendation.</u>

Eric Deeg, USI VP of Employee Benefits, joined the meeting via phone. Deeg noted the County advertised the acceptance of bids for fully insured plans, trust plans, and third party administrators. The Health and Wellness Committee did not receive any quotes for a fully insured plan but did receive several bids from trusts and third party administrators. The committee reviewed all bids submitted and interviewed two trusts, the Joint Powers Trust and WEBT. Both trusts presented attractive offers. After a long discussion the Committee recommended that the County stay with the current administrator, RCI. The County's self-insured plan has historically run very well. Steve Penwell, one of several Health and Wellness Committee members attending the meeting, commented that the committee felt compelled to remain self-insured at this time because of the chance of the State opening up its plan Currently the County's health costs are trending at 1.5%, to counties. significantly lower compared to the health care industry. The Committee is also researching the option of offering a lower deductible plan that the employees would be able to buy up to. If implemented, this would be effective January 1. The committee also plans to keep the funding rate the same for the next budget year. Commissioner Grosskopf moved to continue with RCI as the Third Party Administrator with a high deductible health plan, and to continue with Eric Deeg as the plan consultant, seconded by Commissioner Livingston and unanimously carried.

Discussion-Boundary Board.

Chairman French discussed with the Commissioners the option of reconvening the Boundary Board. The Boundary Board was formed to enable a boundary adjustment for Park County School District No. 1 to include Yellowstone National Park children attending school in Mammoth. In return for the boundary change, the State promised Payment in Lieu of Taxes (PILT). When the most recent PILT schedule came out it appears that Park County could potentially lose 50% of the current funding. Bryan Skoric, County Attorney, advised that reconvening the Boundary Board would require consent of both school district boards per State Statute.

Executive Session.

Commissioner Livingston moved to go into executive session pursuant to Wyoming State Statute 16-4-405 (a) (ix), seconded by Commissioner Hall and unanimously carried. No decisions were made in this session. Commissioner Grosskopf moved to exit executive session, seconded by Commissioner Hall and unanimously carried.

The applicant requests a Variance at 236 Main Street, Ralston, to place a 288 square foot double-sided sign for her digital media business. After general discussion Commissioner Tilden moved to close the public hearing, seconded by Commissioner Hall and unanimously carried. Commissioner Tilden moved to approve the variance with the condition if the business closes the sign will be removed, seconded by Commissioner Livingston and unanimously carried **RESOLUTION NO. 2016-13**.

<u>Discussion-WPLI Advisory Committee Member Selection.</u>
