Approve-Lease Proposal.

Tassione Psychologiactal Service, Dina Tassione, presented a proposal to the Board for renting space at the Park County Complex. She would like a 3 year lease at \$12.00/sq foot. The contract would also include the increase in rent per square foot on an annual basis. Commissioner Hall moved to approve the rent agreement for three years with Tassione Psychological Service, seconded by Commissioner Livingston and unanimously carried.

Recommendation-Rescind Fire Restriction.

Commissioner Livingston moved to rescind the fire restrictions for Park County, seconded by Commissioner Hall and unanimously carried.

Discussion-Natural Resources Conservation Service Emergency Watershed Protection Program (Continued).

Commissioner Livingston attended the Meeteetse Conservation District meeting where they discussed the proposal for the potential of Meeteetse Conservation being the administrator for the NRCS Emergency Watershed Protection Program for rehabilitation of fire-impacted lands. The Conservation District declined the proposal. Since then there has been discussions with the majority of the land owners that would be impacted by this program and most of them commented that they would most likely not use the program. After general discussion the Board still has some questions and would like the discussion added to the next regular meeting agenda.
