### <u>Jenny Cramer, Planning & Zoning – RE: Sage Creek Subdivision 4th Amended</u> Plat

Ms. Cramer presented an amended plat application for Coker & Charity Haukaas requesting approval for a partial vacation of Lot 7 (4.71-acres) and Lot 8 (4.79-acres). The vacation would create Lot 107 (6.25-acres) and Lot 108 (3.25-acres). Lot 108 is owned by Denise Fink and the property is located 2 miles southeast of Cody in RR-2 zoning. Agency referrals have been met and no public comments received. No public hearing is required. Staff recommends approval with three remaining conditions that were read into the record.

Commissioner Thiel moved to approve as presented with conditions 2 & 3 and eliminating #1, Commissioner Livingston seconded, motion carried. **RESOLUTION 2024-16** 

# Commissioners – RE: Public Hearing: Precinct Boundary Change and Change Polling Location from Courthouse to Cody Rec. Center for 11-2 Crandall/Sunlight

Chairwoman Overfield opened the public hearing.

Hans Odde, First Deputy County Clerk and Katie Johnson, Elections Deputy presented the change of polling location which would move Precinct 11-2 (Crandall/Sunlight) from the courthouse to the Cody Rec. Center. Seventy-five registered voters will be notified if adopted. Notice of this public hearing was sent to both major parties, published in both newspapers and posted on the official county website.

Chairwoman Overfield called for public comments.

Vincent Vanata spoke on behalf of the Executive Committee of the Republican Party stated the party has no concerns with moving the polling location. The party does have concerns with a letter being sent to prospective voters and including an absentee request form, the party believes voting should occur at the polling location.

Chairwoman Overfield continued with the precinct consolidation portion of the public hearing. Statute states that the board of county commissioners shall be guided

by the interests of the greatest number of electors involved and that districts and precincts shall coincide with the boundary of a municipality or ward therein. Using statute as a guiding principle and seeking uniformity in all municipalities within the county the proposal would create one precinct per city ward in both Powell and Cody.

Within the city of Cody, the following precincts will be combined:

- 2-2 will merge into 2-1 and follow the boundary of Ward 1
- 24-2 and 24-3 will merge into 24-1-1 and follow the boundary of Ward 2
- 25-2 and 25-3 will merge into 25-1 and follow the boundary of Ward 3

Within the city of Powell, the following precincts will be combined:

- 9-2 will merge into 9-1 and follow the boundary of Ward 1
- 9-4 will merge into 9-5 and follow the boundary of Ward 2

The proposed changes will not cause any alterations to any voter's polling location.

Vincent Vanata, representing the Executive Committee, Republican Party spoke in opposition to the precinct boundary changes and combining precincts, the party will lose precincts within those municipalities, and diminish the grass roots representation of the major parties.

There being no further time for comments the public hearing was continued to 2:15 p.m.

### Jenny Cramer, Planning & Zoning - RE: Public Hearing: Mendoza Variance

Chairwoman Overfield opened the public hearing.

Ms. Cramer presented application to create a two-lot subdivision from a 4.13-acre parcel consisting of one 2.55-acre lot and one 1.58-acre lot for residential use with a variance from the wastewater and domestic water standards for major subdivisions. Legal notices and agency referrals have been met, not all conditions have been met for this variance. Staff recommends denial, if approved staff recommends the following two conditions which were read into the record.

Chairwoman Overfield called for public comments.

Cody Schatz, Engineering Associates, representing Mendoza, is requesting an on-site wastewater and well for simple and minor subdivisions as it was not originally in a parcel reviewed as a major subdivision.

Chairwoman Overfield stated this variance is to decide whether the landowner needs to go through DEQ or not.

There being no further comments, Commissioner Livingston moved to close the public hearing, Commissioner Thiel seconded, motion carried.

After discussion Commissioner Livingston moved to approve the variance, Commissioner Steward seconded, motion carried. **RESOLUTION 2024-17**

The board of county commissioners of each county may adopt for use, either experimentally or permanently, in any election in any or all polling places within the county, any electronic voting system authorized by law.

to going to a flat rate of \$155 rather than \$125 for pay and \$30 meal stipends. Pay rate will stay the same for regular election judges, board members, and attending training, mileage will be paid at the county rate. The only change is a \$35 increase for head judges.

Leah Tracy, Martin Kimmet, Karen Jones, Nina Weber, Richard Jones, and Nicole Forsberg all spoke in opposition of the changes.

Chairwoman Overfield called for further public comments, there being none Commissioner Livingston moved to close the public hearing, Commissioner Thiel seconded, motion carried.

The Board discussed money saved, number of ballots printed, precinct committee men and women pairs, lines at the polls or reducing the polling locations by consolidating.

Mr. Odde answered, the number of ballots won't change, this isn't necessarily a cost saving measure but is more a matter of efficiency, committee men and women numbers are not affected, lines will remain the same as this change only affects the ballot judges reducing the number of ballot styles the judges will need to look at and is of no convenience to the Clerk but to the election judges.

Commissioner Livingston moved to change polling location for precinct 11-2 to the Rec Center, Commissioner Mangold seconded, motion carried.
