S-A BUDGET MESSAGE W S 16-4-104(d)

This budget is a conservative projection of the funds available for the FY 22-23 budget. The county mill levy is projected to increase by approximately 39% and nets the district \$247,000 more than last fiscal year. Outside service contracts with the US Forest Service (\$30k) and BLM (\$130k) have increased. New state & private forestry and pesticide registration fee grants will add \$152k to the budget for cheatgrass and noxious weed control programs. Due to the increase of mill funding, grants, and outside contracts we will be able to restore county road broadjet spraying, maintain a full-size crew, increase the education/public outreach programs, replace siding and roof of the office building, maintain all cost share programs, restore biocontrol purchases and consortia research programs, and implement large aerial treatment programs. This budget proposes using \$45,000 of equipment depreciation reserve to replace a 2005 truck. The cities of Powell and Cody portion of the increased valuation is \$42,000, or 20%, and those funds are returned directly to them.

RESERVE DESCRIPTION: The Park County Weed & Pest Control District reserves are separated into three specific use categories. The first is a \$100,000 emergency cash reserve. This would be used for cash flow or any program that would need an infusion of funds under short notice. The depreciation reserve contains \$218,138 and contains funds to replace vehicles, atv's, rv's, trailers and spray equipment. The third reserve contains \$248,500 for new shop facilities, budget augmentation, or used in the event of a tremendous weed or pest outbreak in Park County. This move was made due to a recommendation from the Department of Audit.

S-B RESERVE DESCRIPTION
